Official Form 101

Voluntary Petition for Individuals Filing for Bankruptcy 12/15

The bankruptcy forms use *you* and *Debtor 1* to refer to a debtor filing alone. A married couple may file a bankruptcy case together—called a *joint case*—and in joint cases, these forms use *you* to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be *yes* if either debtor owns a car. When information is needed about the spouses separately, the form uses *Debtor 1* and *Debtor 2* to distinguish between them. In joint cases, one of the spouses must report information as *Debtor 1* and the other as *Debtor 2*. The same person must be *Debtor 1* in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

Part 5: Explain Your Efforts to Receive a Briefing About Credit Counseling

Last Name

Tell the court whether you have received a briefing about credit counseling.

First Name

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About Debtor 1:

You must check one:

I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any.

I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

□ I am not required to receive a briefing about credit counseling because of:

- □ Incapacity. I have a mental illness or a mental deficiency that makes me incapable of realizing or making rational decisions about finances.
- Disability. My physical disability causes me to be unable to participate in a briefing in person, by phone, or through the internet, even after I reasonably tried to do so.
- Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court. About Debtor 2 (Spouse Only in a Joint Case):

If that happens, you could lose your right to file another case, or you may lose protections, including the benefit of the automatic stay. You must list all your property and debts in the schedules that you are required to file with the court. Even if you plan to pay a particular debt outside of your bankruptcy, you must list that debt in your schedules. If you do not list a debt, the debt may not be discharged. If you do not list property or properly claim it as exempt, you may not be able to keep the property. The judge can also deny you a discharge of all your debts if you do something dishonest in your bankruptcy case, such as destroying or hiding property, falsifying records, or lying. Individual bankruptcy cases are randomly audited to determine if debtors have been accurate, truthful, and complete. Bankruptcy fraud is a serious crime; you could be fined and imprisoned. If you decide to file without an attorney, the court expects you to follow the rules as if you had hired an attorney. The court will not treat you differently because you are filing for yourself. To be successful, you must be familiar with the United States Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and the local rules of the court in which your case is filed. You must also be familiar with any state exemption laws that apply. Are you aware that filing for bankruptcy is a serious action with long-term financial and legal consequences? Official Form 101, Voluntary Petition for Individuals Filing for Bankruptcy, applies only in cases of individual debtors. Form 101 replaces Official Form 1, Voluntary Petition. It is renumbered to distinguish it from the forms used by non-individual debtors, such as corporations, and includes stylistic changes throughout the It is revised as part of the Forms Modernization form. Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. Because the goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions.

Official Form 101 has been substantially reorganized. References to Exhibits A, B, C, and D, and the exhibits themselves, have been eliminated because the requested information is now asked in the form or is not applicable to individual debtors.

Part 1, *Identify Yourself*, line 6, replaces the venue box from page 2 of Official Form 1 and deletes venue questions that pertain only to non-individuals.

Part 2, *Tell the Court About Your Bankruptcy Case*, line 7, removes choices for chapters 9 and 15 filings because they do not pertain to individuals. The status of "being filed" is added to the question regarding bankruptcy cases pending or filed by a spouse, business partner, or affiliate (line 10). Lastly, the question "Do you rent your residence?" (line 11) and Official Forms 101A, *Initial Statement About an Eviction Judgment Against You*, and 101B, *Statement About Payment of an Eviction Judgment Against You*, replace "certification by a debtor who resides as a tenant of residential property," on page 2 of Official Form 1. Part 3, *Report About Any Businesses You Own as a Sole Proprietor*, line 12, incorporates options from the "nature of business" box from page 1 of Official Form 1 that would apply to individual debtors, thus eliminating checkboxes for railroads and clearing banks. Part 3, line 13, also eliminates a checkbox to report whether a plan was filed with the petition, or if plan acceptances were solicited prepetition. Additionally, line 13 rephrases the question relating to whether a debtor filing under Chapter 11 is a small business debtor.

Part 4, *Report if You Own or Have Any Hazardous Property or Any Property That Needs Immediate Attention*, line 14, replaces Exhibit C from Official Form 1 and adds the category of "property that needs immediate attention."

Part 5, *Explain Your Efforts to Receive a Briefing About Credit Counseling* (line 15), replaces Exhibit D from Official Form 1. Additionally, this part describes incapacity and disability using a simplified definition, tells the debtor of the ability to file a motion for a waiver, and eliminates statutory reference about districts where credit counseling does not apply because such districts are rare.

Part 6, Answer These Questions for Reporting Purposes (line 16c), provides a text field for the debtor to describe the type of debts owed if the debtor believes they are neither primarily consumer nor business debts.

Part 7, Sign Below, deletes from the debtor's declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. See Rule 1008. This part combines the two attorney signature blocks into one certification and eliminates signature lines for corporations/partnerships and chapter 15 Foreign Representative. The declaration and signature section for a non-attorney bankruptcy petition preparer (BPP) has also been removed as unnecessary. The same declaration, required under 11 U.S.C. §110, is contained in Official Form 119. That form must be completed and signed by the BPP and filed with each document prepared by a BPP.

Official Form 101A, Initial Statement About an Eviction Judgment Against You, and Official Form 101B, Statement About Payment of an Eviction Judgment Against You, are new forms promulgated as part of the Forms Modernization Project. They replace the "Certification by a Debtor Who Resides as a Tenant of Residential Property" section on Official Form 1, Voluntary Petition. The forms apply only in cases of individual debtors.

Official Form 101A explains that debtors need to complete and file the form only if their landlord has a judgment for possession or an eviction judgment against them and they rent their residence. The form further explains that if the debtor wishes to stay in their residence for 30 days after filing their bankruptcy petition, the certification must be completed. The form adds references to the provisions in the Bankruptcy Code that specify when debtor-tenants subject to eviction may remain in their residence after filing for bankruptcy.

The form eliminates the checkboxes that the debtor has served the landlord with the certification and paid the court the rent that would be due during the 30 days after the filing of the bankruptcy petition. Instead, debtors are required to certify under penalty of perjury that the rent has been paid to the court, and the instructions direct debtors to serve a copy of the statement on the landlord.

The form eliminates the checkbox that the debtor claims there are circumstances under applicable nonbankruptcy law under which the debtor would be permitted to cure the monetary default that gave rise to the judgment for possession (or eviction judgment) and remain in residence. Instead, debtors are required to certify under penalty of perjury that they have the right to stay in their residence under state law or other nonbankruptcy law by paying their landlord the entire delinquent amount. **Official Form 101B** is new. If debtors wish to stay in their residence for more than 30 days after filing the petition, they must complete, file, and serve the form within 30 days after the petition is filed. Under Official Form 101B, debtors certify under penalty of perjury that they have the right to stay in their residence under state law or other nonbankruptcy law by paying their landlord the entire delinquent amount and that they have paid their landlord the entire amount owed as stated in the judgment for possession or in the eviction judgment.

Official Form 104, For Individual Chapter 11 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims Against You and Are Not Insiders, is revised as part of the Forms Modernization Project. It replaces Official Form 4, List of Creditors Holding 20 Largest Unsecured Claims in chapter 11 cases filed by individuals or joint debtors. The form is renumbered to distinguish it from the version to be used in chapter 11 cases filed by non-individuals, such as corporations and partnerships, and in chapter 9 cases.

Form 104 is reformatted to make it easier to complete and understand and to be more visually appealing. Blanks and checkboxes are provided for specific information about each claim, replacing columns for listing information. A separate, numbered section is provided for each of the 20 claims.

The instruction not to include fully secured claims is restated in less technical terms. Debtors are instructed to include a secured creditor only if the creditor has an unsecured claim resulting from inadequate collateral value that is among the 20 largest unsecured claims. Blanks are provided to calculate the value of the unsecured portion of a partially secured claim.

Examples of "insiders" are provided in addition to the statutory reference. The form adds an explicit instruction not to file the form in a chapter 7, chapter 12, or chapter 13 case. An instruction to be as complete and accurate as possible is added, along with a warning that, if two married people are filing jointly, both are equally responsible for supplying correct information.

With respect to children who may be creditors, the direction to state only the initials of a minor child and the name and address of the child's parent or guardian, rather than the child's full name, is moved to the general instruction booklet for the forms because it applies to all of the forms.

COMMITTEE NOTE

Official Form 105, *Involuntary Petition Against an Individual*, which is used only in cases of individual debtors, is revised in its entirety as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. In addition, the form is renumbered to distinguish it from the version to be used in non-individual cases, and stylistic changes were made throughout the form.

The form is derived from Official Form 5, *Involuntary Petition*. The new form separates questions into four parts likely to be more familiar to non-lawyers, groups questions of a similar nature together, and eliminates questions unrelated to individual debtors.

Part 1, *Identify the Chapter of the Bankruptcy Code Under Which Petition is Filed*, moves to the beginning of the form the question regarding the chapter of the Bankruptcy Code under which the petition is filed.

Part 2, *Identify the Debtor*, includes the questions regarding the debtor's name, prior names, Social Security Number, Individual Taxpayer Identification Number, and Employer Identification Number. Petitioners must list the address for the debtor's principal residence, mailing address (if different), and principal place of business. Petitioners must indicate whether the debtor operates a business, and, if so, use checkboxes to indicate whether the business falls into certain categories. The statutory definition of "consumer debts" is provided, as well as a definition of "business debts."

Part 3, *Report About the Case*, amends the question regarding venue to advise that venue is "the reason for filing in this court" and amends the choices for venue. The first option is revised to read: "Over the last 180 days before the filing of this bankruptcy, the debtor has resided, had the principal place of business, or had principal assets in this district longer than in any other district." Also, the form adds an option for "Other reason. Explain," with a statutory reference. In the question for Allegations, the exact citation to the Bankruptcy Code is provided for the last

allegation. Petitioners must check "yes" or "no" to answer whether there has been a transfer of any claim against the debtor by or to a petitioner. The information regarding the petitioner's claims is moved to this part of the form, and the portion listing the amount of the claim is amended to ask about the amount of the claim that exceeds the value of the lien, if any.

Part 4, *Request for Relief*, amends the instructions to include a warning about making a false statement, and adds a separate requirement for each petitioner's mailing address. Also, petitioners' attorneys must provide their email addresses, or if a petitioner is an individual and not represented by an attorney, the contact phone and email address of that petitioner must be provided.

Official Form 106C Schedule C: The Property You Claim as Exempt

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on *Schedule A/B: Property* (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of *Part 2: Additional Page* as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions—such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds—may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

Part 1: Identify the Property You Claim as Exempt

COMMITTEE NOTE

The schedules to be used in cases of individual debtors are revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions. The individual debtor schedules are also renumbered, starting with the number 106 and followed by the letter or name of the schedule to distinguish them from the versions to be used in non-individual cases.

Official Form 106Sum, Summary of Your Assets and Liabilities and Certain Statistical Information, replaces Official Form 6, Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159), in cases of individual debtors.

The form is reformatted and updated with crossreferences indicating the line numbers of specific schedules from which the summary information is to be gathered. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

Official Form 106A/B, *Schedule A/B: Property*, consolidates information about an individual debtor's real and personal property into a single form. It replaces Official Form 6A, *Real Property*, and Official Form 6B, *Personal Property*, in cases of individual debtors. In addition to specific questions about the assets, the form also includes open text fields for providing additional information regarding particular assets when appropriate.

The layout and categories of property on Official Form 106A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses seven categories likely to be more familiar to non-lawyers: real estate, vehicles, personal household items, financial assets, business-related property, farm- and commercial fishing-related property, and a catch-all category for property that was not listed elsewhere in the form. The new form categories and the examples provided in many of the categories are designed to prompt debtors to be thorough and list all of their interests in property. The debtor may describe generally items of minimal value (such as children's clothes) by adding the value of the items and reporting the total.

Although a particular item of property may fit into more than one category, the instructions for the form explain that it should be listed only once.

In addition, because property that falls within a particular category may not be specifically elicited by the particular line items on the form, the debtor is asked in Parts 3–6 (lines 14, 35, 44, and 51) to specifically identify and value any other property in the category.

In Part 1, *Describe Each Residence, Building, Land, or Other Real Estate You Own or Have an Interest In*, the debtor is asked to state the "current value of the portion you own," and to also state who has an interest in the property. In addition, the debtor is asked for the nature of the ownership interest, if known by the debtor. Furthermore, instead of asking for an open-ended description of the property, the form guides the debtor in answering the description question by providing eight options from which to choose: single-family home, duplex or multi-unit building, condominium or cooperative, manufactured or mobile home, land, investment property, timeshare, and other.

Part 2, *Describe Your Vehicles*, also guides the debtor in answering the question, asking for the make, model, year, and mileage of the car or other vehicle. Because mileage is just a general indication of vehicle value, the debtor is not required to list the exact mileage, but instead is prompted to provide the approximate mileage.

Part 3, Describe Your Personal and Household Items, simplifies wording, updates categories, and uses more common terms. For example, "Wearing apparel" is changed to "Clothes" and examples include furs, which were previously grouped with jewelry. Firearms, on the other hand, which were previously grouped with sports and other hobbies, are now set out as a separate category. Additionally, because a new Part 6 has been added to separately describe-farm related property, Part 3 includes a category for "Non-farm animals."

Part 4, *Describe Your Financial Assets*, prompts a listing of the debtor's financial assets through several questions providing separate space, after each listed type of account or deposit, for the institution or issuer name and the value of the debtor's interest in the asset. Two new categories of financial assets are added: "Bonds, mutual funds, or publicly traded stocks" and "Claims against third parties, whether or not you have filed a lawsuit or made a demand for payment." In addition, qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), are added to the list of accounts in question 24. This change is made in response to the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295, which excludes ABLE account contributions meeting the specified requirements from property of the estate.

Part 5, *Describe Any Business-Related Property You Own or Have an Interest In*, provides prompts for listing business-related property, such as accounts receivable, inventory, and machinery, and includes a direction to list business-related real estate in Part 1, to avoid listing real estate twice.

Part 6, *Describe Any Farm- and Commercial Fishing-Related Property You Own or Have an Interest In*, provides prompts for listing farm- or commercial fishing-related property, such as farm animals, crops, and feed. It also includes a direction to list any farm- or commercial fishing-related real estate in Part 1.

Part 7, Describe All Property You Own or Have an Interest in That You Did Not List Above, is a catch-all provision that allows the debtor to report property that is difficult to categorize.

Part 8, *List the Totals of Each Part of this Form*, tabulates the total value of the debtor's interest in the listed property. The tabulation includes two subtotals, one for real estate, which corresponds to the real property total that was reported on former Official Form 6A. The second

subtotal is of Parts 2-7, which corresponds to the personal property total that was reported on former Official Form 6B.

Official Form 106C, *Schedule C: The Property You Claim as Exempt*, replaces Official Form 6C, *Property Claimed as Exempt*, in cases of individual debtors.

Part 1, *Identify the Property You Claim as Exempt*, includes a table to list the property the debtor seeks to exempt, the value of the property owned by the debtor, the amount of the claimed exemption, and the law that allows the exemption. The first column asks for a brief description of the exempt property, and it also asks for the line number where the property is listed on Schedule A/B. The second column asks for the value of the portion of the asset owned by the debtor, rather than the entire asset. The third column asks for the amount, rather than the value, of the exemption claim.

The form has also been changed in light of the Supreme Court's ruling in *Schwab v. Reilly*, 560 U.S. 770 (2010). Entries in the "amount of the exemption you claim" column may now be listed as either a dollar limited amount or as 100% of fair market value, up to any applicable statutory limit. For example, a debtor might claim 100% of fair market value for a home covered by an exemption capped at \$15,000, and that limit would be applicable. This choice would impose no dollar limit where the exemption is unlimited in dollar amount, such as some exemptions for health aids, certain governmental benefits, and tax-exempt retirement funds.

Official Form 106D, Schedule D: Creditors Who Have Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, in cases of individual debtors.

Part 1, *List All Secured Claims*, now directs the debtor to list only the last four digits of the account number. Part 1 also adds four checkboxes with which to describe the nature of the lien: an agreement the debtor made (such as mortgage or secured car loan); statutory lien (such as tax lien, mechanic's lien); judgment lien from a lawsuit; and other.

The form adds Part 2, *List Others to Be Notified for a Debt That You Already Listed*. The debtor is instructed to use Part 2 if there is a need to notify someone about the bankruptcy filing other than the creditor for a debt listed in Part 1. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 2.

Official Form 106E/F, Schedule E/F: Creditors Who Have Unsecured Claims, consolidates information about priority and nonpriority unsecured claims into a single form. It replaces Official Form 6E, Creditors Holding Unsecured Priority Claims, and Official Form 6F, Creditors Holding Unsecured Nonpriority Claims, in cases of individual debtors.

Although both priority and nonpriority unsecured claims are reported in Official Form 106E/F, the two types of claims are separately grouped so that the total for each type can be reported for case administration and statistical purposes. The form eliminates the question "consideration for claim" and instructs debtors to list claims in the alphabetical order of creditors as much as possible.

Part 1, *List All of Your PRIORITY Unsecured Claims*, includes four checkboxes for identifying the type of priority that applies to the claim: domestic support obligations; taxes and certain other debts owed to the government; claims for death or personal injury while intoxicated; and "other." The first three categories are required to be separately reported for statistical purposes. If the debtor selects "other," the debtor must specify the basis of the priority, *e.g.*, wages or employee benefit plan contribution.

Part 2, *List All of Your NONPRIORITY Unsecured Claims*, contains four checkboxes, including three for types of claims that must be separately reported for statistical purposes: student loans; obligations arising out of a separation agreement or divorce not listed as priority claims; and debts to pension or profit-sharing plans and other similar debts. The remaining "other" checkbox treats claims not subject to separate reporting. If the debtor selects "other," the debtor must specify the basis of the claim. Part 3, *List Others to Be Notified About a Debt That You Already Listed*, is new. The debtor is instructed to use Part 3 only if there is a need to give notice of the bankruptcy to someone other than a creditor listed in Parts 1 and 2. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 3.

Finally, Part 4, *Add the Amounts for Each Type of Unsecured Claim*, requires the debtor to provide the total amounts of particular types of unsecured claims for statistical reporting purposes and the overall totals of the priority and nonpriority unsecured claims reported in this form.

Official Form 106G, Schedule G: Executory Contracts and Unexpired Leases, replaces Official Form 6G, Executory Contracts and Unexpired Leases, in cases of individual debtors.

The form is simplified. Instead of requiring the debtor to make multiple assertions about each potential executory contract or unexpired lease, the form simply requires the debtor to identify the name and address of the other party to the contract or lease, and to state what the contract or lease deals with. Definitions and examples of executory contracts and unexpired leases are included in the separate instructions for the form.

An additional page is provided in case the debtor has so many executory contracts and unexpired leases that the available page is not adequate. If the debtor needs to use the additional page, the debtor is required to fill in the entry number.

Official Form 106H, *Schedule H: Your Codebtors*, replaces Official Form 6H, *Codebtors*, in cases of individual debtors.

The form breaks out the questions about whether there are any codebters, and whether the debtor has lived with a spouse, former spouse, or legal equivalent in a community property state in the prior eight years. It also removes Alaska from the listed community property states. Finally, it asks the debtor to indicate where the debt is listed on Schedule D, Schedule E/F, or Schedule G, thereby eliminating the need to list the name and address of the creditor.

Official Form 106I, *Schedule I: Your Income*, replaces Official Form 6I, *Your Income*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

Official Form 106J, *Schedule J: Your Expenses*, replaces Official Form 6J, *Your Expenses*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

The form has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated.

Official Form 106J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

Official Form 106Dec, Declaration About an Individual Debtor's Schedules, replaces Official Form 6, Declaration Concerning Debtor's Schedules, in cases of individual debtors.

The form, which is to be signed by the debtor and filed with the debtor's schedules, deletes the Declaration and Signature of Bankruptcy Petition Preparer (BPP). Instead, the debtor is directed to complete and file Official Form 119, *Bankruptcy Petition Preparer's Notice*,

Declaration, and Signature, if a BPP helped fill out the bankruptcy forms.

Because the form applies only to individual debtors, it no longer contains the Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership. It also deletes from the declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008.

COMMITTEE NOTE

Official Form 107, Statement of Financial Affairs for Individuals Filing for Bankruptcy, which applies only in cases of individual debtors, is revised in its entirety as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiplepart instructions have been replaced with more specific questions. In addition, the form is renumbered to distinguish it from the version to be used in non-individual cases, and stylistic changes were made throughout the form

The form is derived from former Official Form 7, *Statement of Financial Affairs*. The new form uses eleven sections likely to be more understandable to non-lawyers, groups questions of a similar nature together, and eliminates questions unrelated to individual debtors. The new form deletes the instruction, previously found in many questions, that married debtors filing under chapter 12 or chapter 13 must include information applicable to their spouse, even if their spouse is not filing with them, unless the spouses are separated. This change was made because a non-filing spouse's general financial affairs are not relevant to the debtor's bankruptcy case.

Part 1, *Give Details About Your Marital Status and Where You Lived Before*, moves the questions regarding the debtor's prior addresses, as well as residences in a community property state, to the beginning of the form. The form eliminates the "name used" question in reference to prior addresses. Also, the debtor is no longer required to list the name of a spouse or former spouse who lived with the debtor in a community property state since that information will be provided in Official Form 106H. Part 2, *Explain the Sources of Your Income*, consolidates the questions regarding income, adding "wages, commissions, bonuses, tips" as a category for sources of income, and it eliminates the option to report income on a fiscal year basis. In addition, the form provides examples of types of "other income." The time period is clarified to indicate that the prior two years means two calendar years, plus the portion of the calendar year in which the bankruptcy is filed.

Part 3, List Certain Payments You Made Before You Filed for Bankruptcy, includes questions related to payments made in the 90 days prior to bankruptcy, with a separate question for payments made to insiders within one year before filing for bankruptcy. The statutory definition of consumer debt is provided. The question regarding the nature of the debtor's debts requires the debtor to use checkboxes to indicate whether or not they are primarily consumer debts. The form instructs debtors not to include payments for domestic support obligations in the section regarding insider payments. The form provides a separate question regarding payments or transfers on account of a debt that benefited an insider. For both questions regarding payments to insiders, the debtor is required to provide a reason for the payment. Partnerships of which the debtor is a general partner have been added to the examples of "insiders."

Part 4, *Identify Legal Actions, Repossessions, and Foreclosures,* consolidates questions regarding actions against the debtor's property. The form provides examples of types of legal actions, and requires the debtor to indicate the status of any action. The form adds the requirements that a debtor include any property levied on within a year of filing for bankruptcy and that the debtor provide the last four digits of any account number for any setoffs. Also, a debtor must list any assignment for the benefit of creditors made within one year of filing for bankruptcy. Part 5, *List Certain Gifts and Contributions*, changes the reporting threshold to \$600 per person or charity and increases the look-back period from one to two years.

Part 6, *List Certain Losses*, clarifies how to report insurance coverage for losses. It provides that the debtor must include on this form amounts of insurance that have been paid, but must list pending insurance claims on Official Form 106A/B.

Part 7, List Certain Payments or Transfers, includes questions regarding payments or transfers of property by the debtor. The question regarding payments or transfers to anyone who was consulted about seeking bankruptcy or preparing a bankruptcy petition requires the email or website address of the person who was paid, as well as the name of the person who made the payment if it was not the debtor. There is a separate question asked about payments or transfers to anyone who promised to help the debtor deal with creditors or make payments to creditors, reminding the debtor not to include any payments or transfers already listed. Also, the debtor must list any transfers of property, outright or for security purposes, made within two years of filing for bankruptcy, unless the transfer was made in the ordinary course of the debtor's business. There is a reminder not to list gifts or other transfers already included elsewhere on the form. The question regarding self-settled trusts adds an explanation that such trusts are often referred to as asset-protection devices.

Part 8, *List Certain Financial Accounts, Safe Deposit Boxes, and Storage Units*, adds money market accounts to the examples provided for the question regarding financial accounts or instruments and removes "other instruments" from the examples. Also, the form adds a question about whether the debtor has or had property stored in a storage unit within one year of filing for bankruptcy. The debtor must provide the name and address of the storage facility and anyone who has or had

access to the unit, as well as a description of the contents and whether the debtor still has access to the storage unit. Storage units that are part of the building in which the debtor resides are excluded.

Part 9, *Identify Property You Hold or Control for Someone Else*, instructs that the debtor should include any property that the debtor borrowed from, is storing for, or is holding in trust for someone.

Part 10, *Give Details About Environmental Information*, requires the debtor to list the case title and nature of the case for any judicial or administrative proceeding under any environmental law and to indicate the status of the case.

Part 11, *Give Details About Your Business or Connections to Any Business*, eliminates instructions that apply only to corporations and partnerships. The debtor must indicate if, within four years (previously six years) before filing for bankruptcy, the debtor owned a business or had certain connections to a business, with five categories of businesses provided as checkboxes. If the debtor has a connection to a business, the debtor must list the name, address, nature, and Employer Identification number of the business, the dates the business existed, and the name of an accountant or bookkeeper for the business. Accounting information requested is truncated; the debtor is simply required to provide the name of the business bookkeeper or accountant.

Part 12, *Sign Below*, eliminates the signature boxes for a partnership or corporation and a non-attorney bankruptcy petition preparer. Also, the debtor is asked to indicate through checkboxes whether additional pages are attached to the form.

COMMITTEE NOTE

Official Form 108, *Statement of Intention for Individuals Filing Under Chapter 7*, is revised in its entirety as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. In addition, the form is renumbered, and stylistic changes are made throughout the form.

The form is derived from former Official Form 8, *Chapter 7 - Individual Debtor's Statement of Intention*. The new form uses language likely to be understandable to non-lawyers. In addition, the instructions are more extensive, advising an individual Chapter 7 debtor that the form must be completed and filed within 30 days and that the debtor must deliver copies of the form to creditors and lessors listed on the form.

Part 1, *List Your Creditors Who Have Secured Claims*, refers to entering into a "Reaffirmation Agreement" rather than asking whether the debtor intends to "reaffirm the debt." In addition, the debtor is asked if the property is claimed as exempt on Schedule C (Official Form 106C).

Part 2, *List Your Unexpired Personal Property Leases*, defines unexpired leases and explains that a debtor may assume an unexpired personal property lease if the trustee does not assume it.

Official Form 119, *Bankruptcy Petition Preparer's Notice, Declaration, and Signature*, applies only in cases of individual debtors. It is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. In addition, the form is renumbered, and stylistic changes are made throughout the form.

The form is derived from former Official Form 19, *Declaration and Signature of Non-Attorney Bankruptcy Petition Preparer*. An instruction is added to the form that provides statutory citations. Filers are advised that if more than one bankruptcy petition preparer helped with the documents, each must sign the form.

Part 1, *Notice to Debtor*, is moved to the beginning of the form and revised. An instruction is added that bankruptcy petition preparers must give the debtor a copy of the form and have the debtor sign it before they prepare any documents for filing or accept compensation, and that the form must be filed with any document prepared. It warns the debtor that bankruptcy petition preparers are not attorneys and may not practice law or give legal advice, with a list of examples of advice that may not be provided by a bankruptcy petition preparer. The signature line of this part includes a statement that the debtor acknowledges receipt of the notice.

Part 2, *Declaration and Signature of the Bankruptcy Petition Preparer*, revises the declaration by the bankruptcy petition preparer to include an officer, principal, responsible person, or partner of a bankruptcy petition preparer. The bankruptcy petition preparer must provide a firm name, if applicable, as well as a contact phone, and must indicate which documents the bankruptcy petition preparer prepared from a list of documents. An "other" option is provided for any additional documents. The signature line includes spaces for the bankruptcy petition preparer to enter a social security number, and language regarding an officer, principal, responsible person, or partner of the bankruptcy petition preparer.

Statement About Your Social Security Numbers

COMMITTEE NOTE

Official Form 121, *Statement About Your Social Security Numbers*, is revised as part of the Forms Modernization Project. The form, which applies only in cases of individual debtors, replaces former Official Form 21, *Statement of Social Security Number(s)*. It is renumbered to distinguish it from the forms used by nonindividual debtors, such as corporations and partnerships.

To make Form 121 easier to understand and complete, the form is divided into three sections, and directions on the form are simplified. The debtor's Employer Tax-Identification number (EIN) is eliminated from the form, and the debtor's name is moved from the caption to the body of the form.

Living separately or are legally separated. Fill out Column A, lines 2-11; do not fill out Column B. By checking this box, you declare under penalty of perjury that you and your spouse are legally separated under nonbankruptcy law that applies or that you and your spouse are living apart for reasons that do not include evading the Means Test requirements. 11 U.S.C. § 707(b)(7)(B).

Fill in the average monthly income that you received from all sources, derived during the 6 full months before you file this **bankruptcy case**. 11 U.S.C. § 101(10A). For example, if you are filing on September 15, the 6-month period would be March 1 through August 31. If the amount of your monthly income varied during the 6 months, add the income for all 6 months and divide the total by 6. Fill in the result. Do not include any income amount more than once. For example, if both spouses own the same rental property, put the income from that property in one column only. If you have nothing to report for any line, write \$0 in the space.

Part 2: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.

Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not deduct any amounts that you subtracted from your spouse's income in line 3 and do not deduct any operating expenses that you subtracted from income in lines 5 and 6 of Form 122A–1.

If your expenses differ from month to month, enter the average expense.

Whenever this part of the form refers to you, it means both you and your spouse if Column B of Form 122A-1 is filled in.

- 6. Food, clothing, and other items: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.
- 7. **Out-of-pocket health care allowance:** Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

Chapter 13 Calculation of Your Disposable Income

12/15

To fill out this form, you will need your completed copy of *Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period* (Official Form 122C–1).

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

Part 1: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office. Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use
some of your actual expenses if they are higher than the standards. Do not include any operating expenses that you subtracted from income in lines 5 and 6 of Form 122C–1, and do not deduct any amounts that you subtracted from your spouse's income in line 13 of Form 122C–1.
If your expenses differ from month to month, enter the average expense.
Note: Line numbers 1-4 are not used in this form. These numbers apply to information required by a similar form used in chapter 7 cases.
5. The number of people used in determining your deductions from income Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.
National StandardsYou must use the IRS National Standards to answer the questions in lines 6-7.
 Food, clothing, and other items: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.
7. Out-of-pocket health care allowance: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

COMMITTEE NOTE

Official Forms 122A-1, 122A-1Supp, 122A-2, 122B, 122C-1, and 122C-2 are updated to comport with the form numbering style developed as part of the Forms Modernization Project. The forms are derived from Official Forms 22A-1, 22A-1Supp, 22A-2, 22B, 122C-1, and 22C-2.

A statement is added to line 26 of Forms 122A-2 and 122C-2 explaining that contributions to qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), may be included in the deduction for contributions to the care of household or family members. Authorization of the deduction of such contributions was added to Bankruptcy Code § 707(b)(2)(A)(ii)(II) by the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295.

Official Forms 122A-1, 122B, and 122C-1 are revised to add a workspace column for debtor 2 at questions 5 and 6 on the forms.

Official Form 122B is also revised to remove former Part 2. This portion of the form provided for the exclusion of certain income of a debtor's non-filing spouse; since that income is not required to be reported, its exclusion is unnecessary.

Other stylistic changes were made throughout the forms.

COMMITTEE NOTE

Official Form 201, Voluntary Petition for Non-Individuals Filing for Bankruptcy, replaces Official Form 1, Voluntary Petition, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 201 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

Official Form 201 been substantially has reformatted and reorganized. References to Exhibits B, C, and D, and the exhibits themselves, have been eliminated because the requested information is now asked in the form or is not applicable to non-individual debtors. Official Form 201A, Attachment to Voluntary Petition for Non-Individuals Filing for Bankruptcy Under Chapter 11, has replaced Exhibit A. The debtor is instructed to file Official Form 201A if the debtor is filing under chapter 11 and is required to file periodic reports with the Securities and Exchange Commission. A checkbox has been added to the form to indicate whether it is an amended filing.

In Question 2, All other names debtor used in the last 8 years, instructions pertaining only to individuals have been deleted, and an instruction to include doing business as names and assumed names has been added. In Question 3, Debtor's federal Employee Identification Number (EIN), references to social security numbers and individual taxpayer I.D. numbers have been deleted. In Question 4, Debtor's address, the order of listing the various addresses for the debtor has been rearranged, and an address for the location of principal assets is required if different from the principal place of business. Also, the form has been revised to include a space for listing the debtor's website in Question 5.

In Question 6, Type of Debtor, options pertaining only to individual debtors have been deleted, and an instruction that the "partnership" option does not include LLPs has been added. Question 7, Describe debtor's business, is revised to include a statutory citation for each business type, to add an option for "none of the above," and to delete the option for "other." A new instruction requires the debtor to indicate if the debtor is an investment company, including a hedge fund or pooled investment vehicle; an investment advisor; or a tax exempt entity. The definition of "tax exempt entity" has been removed and replaced with a statutory citation. Additionally, an instruction has been added to require the debtor to list its North American Industry Classification System 4-digit code. A hyperlink is provided for information on finding the correct code.

In *Question 8, Under which chapter of the Bankruptcy Code is the debtor filing,* several separate boxes have been combined, and the options for Chapter 13 and Chapter 15 have been deleted. More detailed options have been added for Chapter 11. The question regarding the nature of the debtor's debts has been removed.

Question 9, Were prior bankruptcy cases filed by or against the debtor within the last 8 years, has been revised

to instruct the debtor to include prior bankruptcy cases filed against the debtor and to list the district rather than location of the prior filings. In Question 10, *Are any bankruptcy cases pending or being filed by a business partner or an affiliate of the debtor*, the reference to spouse and the requirement to list the judge in any other cases have been removed.

Question 11, *Why is this case filed in this district*, has been revised to delete references that pertain only to individuals.

Question 12, Does the debtor own or have possession of any real property or personal property that needs immediate attention, replaces Exhibit C from Official Form 1. The category of "property that needs immediate attention" has been added, as well as options to indicate why the property needs immediate attention. Additionally, the form has been revised to require the debtor to list the location of the property and whether or not the property is insured and, if so, the insurance details.

Statistical and administrative information has been moved to immediately above the signature line, and the reference to exempt property has been removed. The maximum values for "Estimated Assets" and "Estimated Liabilities" have been increased from "more than \$1 billion" to "more than \$50 billion." *Request for Relief, Declaration, and Signatures* has been reformatted and the signature lines for individual debtors and non-attorney bankruptcy petition preparers have been removed. [If debtor is required to file periodic reports (e.g., forms 10K and 10Q) with the Securities and Exchange Commission pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 and is requesting relief under chapter 11 of the Bankruptcy Code, this Exhibit "A" shall be completed and attached to the petition.]

COMMITTEE NOTE

Official Form 202, Declaration Under Penalty of Perjury for Non-Individual Debtors, replaces Official Form 2, Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership, and the section of Official Form 6 Declaration, Declaration Concerning Debtor's Schedules containing a corporation's or partnership's declaration. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 202 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

Official Form 202 has been substantially reformatted and reorganized with elements from both Official Form 2 and the section of Official Form 6 for a corporation or partnership. Instructions have been added, along with warning language regarding bankruptcy fraud. Checkboxes are provided so the declaration will indicate the documents included with the declaration, including the schedules and Official Form 204, Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders. If the declaration accompanies another document, a space is provided to include a description of the attached document. The phrase "to the best of my information and belief" has been deleted from the declaration in order to conform to the language of 28 U.S.C. § 1746. See Rule 1008. The form, however, includes a statement that the person signing the declaration has examined the information in the documents subject to the declaration and has "a reasonable belief that the information is true and correct." Finally, the person signing the declaration must indicate his or her position or relationship to the debtor.

Official Form 204 Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders

A list of creditors holding the 20 largest unsecured claims must be filed in a Chapter 11 or Chapter 9 case. Include claims which the debtor disputes. Do not include claims by any person or entity who is an *insider*, as defined in 11 U.S.C. § 101(31). Also, do not include claims by secured creditors, unless the unsecured claim resulting from inadequate collateral value places the creditor among the holders of the 20 largest unsecured claims.

COMMITTEE NOTE

Official Form 204, Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders, replaces Official Form 4, List of Creditors Holding 20 Largest Unsecured Claims, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 204 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

Official Form 204 has been reformatted and reorganized. The instructions have been shortened and revised to include a full cite to the definition of "insider" and a revised explanation of when to include a secured creditor's unsecured claim. The warning regarding the disclosure of a minor child's name has been deleted as a caution has been added to the general instructions for all forms regarding listing a minor child's name.

The heading of the second column of the form has been revised to require the "name, telephone number, and email address of creditor contact," eliminating the need to provide a complete mailing address for the creditor contact. Additional examples of "nature of claim" have been provided in the third column. In the fourth column, "subject to setoff" has been removed as an option.

The fifth column has been revised to include three separate potential entries to be used to list the value of the unsecured claim: the total claim, if partially secured; the deduction for value of collateral or setoff; and unsecured claim. The new instructions for the fifth column contain an explanation that if a claim is a fully unsecured claim, only the final sub-column needs to be completed, and that all of the columns must be completed if a claim is partially secured.

The signature line and the instruction to include a declaration have been deleted from the form.

COMMITTEE NOTE

Official Form 205, *Involuntary Petition Against a Non-Individual*, replaces Official Form 5, *Involuntary Petition*, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 205 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

Part 1, *Identify the Chapter of the Bankruptcy Code Under Which Petition is Filed*, has been moved to the beginning of the form.

In Part 2, *Identify the Debtor*, instructions pertaining only to individuals have been deleted, and an instruction to include doing-business-as names and assumed names has been added. The references to social security numbers and individual taxpayer I.D. numbers have been deleted. The order of listing the various addresses for the debtor have been rearranged in Line 5, and an address for the location of principal assets is required if different from the principal place of business.

The form has been revised to include a space for listing the debtor's website in Line 6.

Also in Part 2, the options for type of debtor that pertained only to individuals have been deleted, and an instruction that the "partnership" option does not include LLPs has been added. The options regarding the type of debtor's business have been revised to include a statutory citation for each business type, to add an option for "none of the above," and to delete the option for "other." The question regarding pending bankruptcy cases has been revised to remove the reference to spouse and the requirement to list the judge in any other cases.

In Part 3, *Report About the Case*, the question regarding venue has been revised in Line 10 to read "[o]ver the last 180 days before the filing of this bankruptcy, the debtor had a domicile, principal place or business, or principal assets in this district longer than in any other district." In the question for Allegations, "each" has been added to the first allegation, the exact citation to the Bankruptcy Code has been provided for the second allegation, and checkboxes have been provided for the last allegation. Also, in Line 12, petitioners must check "yes" or "no" to answer whether there has been any transfer of any claim against the debtor by or to a petitioner.

The information regarding the petitioner's claims has been moved to Part 3, and the portion listing the amount of the claim is amended to ask about the amount of the claim that exceeds the value of the lien, if any.

Part 4, *Request for Relief*, has been amended to include a warning about making a false statement, and the declaration under penalty of perjury has been revised in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008. A statement has been added that each petitioner, or the petitioner's representative, has reviewed the information in the petition and has "a reasonable belief that the information is true and correct." A requirement has

been added for each petitioner's mailing address. Also, petitioners' attorneys must provide their email addresses, bar number, and state of bar membership.

Official Form 206A/B Schedule A/B: Assets — Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

COMMITTEE NOTE

The schedules to be used in cases of non-individual debtors have been revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals eliminate questions that pertain only to individuals and use a more open-ended response Also, where possible, the forms for nonformat. individuals parallel how businesses commonly keep their financial records. The non-individual debtor schedules are also renumbered, starting with the number 206 and followed by the letter or name of the schedule to distinguish them from the versions to be used in individual cases. Each form includes a checkbox to indicate whether it is an amended filing.

Official Form 206Sum, *Summary of Assets and Liabilities for Non-Individuals*, replaces Official Form 6, *Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159)*, in cases of non-individual debtors. The form is reformatted and updated with cross-references indicating the line numbers from specific schedules from which the summary information is to be gathered, and the Statistical Summary is deleted because it only applies to individual debtors. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules. **Official Form 206A/B**, *Schedule A/B: Assets – Real and Personal Property*, consolidates information about a non-individual debtor's real and personal property into a single form and replaces Official Form 6A - *Real Property* and Official Form 6B - *Personal Property*, in cases of non-individual debtors. The layout and categories of property on Official Form 206A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses eleven categories of property types. For each part, the specific items are broken out and debtors are instructed to total the part and list the total on a specific line later in the form.

Part 1: *Cash and cash equivalents*, includes cash and cash equivalents and a shortened list of examples. All financial assets other than cash or cash equivalents are moved to Part 4: *Investments*. In the section to list checking, savings, money market, or financial brokerage accounts, debtors are instructed to include the name of the institution and the last 4-digits of any account number.

In Part 2: *Deposits and prepayments*, adds prepayments and examples. A requirement has been added to include the name of the holder of any deposit.

Part 3: *Accounts receivable*, has been revised to divide accounts receivable into two categories depending on age and asks for separate values for the two categories.

Part 4: *Investments*, has been expanded and includes more detail.

Part 5: *Inventory, excluding agricultural assets*, has been amended to separate non-agricultural from agricultural assets, and has been expanded to include more detail. Categories of inventory are listed, and debtors must include the last date of physical inventory, the net book value of debtor's interest (if available), the valuation method used for current value, and the current value of debtor's interest. The form has been further amended to require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

In Part 6: *Farming- and Fishing-Related Assets* (other than titled motor vehicles and land), the form has been amended to require more detailed responses and to require the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. A requirement to list fishing supplies has been added. The form has been further amended to require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, whether a depreciation schedule is available for any of the property listed, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

Part 7: Office furniture, fixtures, and equipment; and collectibles, has been amended to combine several categories of assets and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. Examples of collectibles are provided. The form has been further amended to require the debtor to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 8: *Machinery, equipment, and vehicles*, has been amended to combine several categories of property and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. More examples are provided for each property type. The form has been further amended to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 9: *Real property*, includes the elements of Official Form 6A, *Real Property*, and has been amended to expand the required information to include the net book value of the debtor's interest and the valuation method used for current value. Also, an instruction has been added for the description and location of the property. The form has been further amended to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 10: *Intangibles and intellectual property*, includes amendments to combine several categories of property and to include more property types. The debtor is required to list the net book value of the debtor's interest and the valuation method used for current value. The question regarding personally identifiable information has been revised, and the form has been amended to require the debtor to indicate if there is an amortization schedule or similar schedule available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 11: *All other assets*, includes a new category for notes receivable, which requires a description, including the name of the obligor, the face amount, and any uncollectible amount. In addition, the form has been amended to combine tax refunds and net operating losses into a single question and to require more detail, to delete the requirement to list the insurance company name for any interests in insurance policies, to expand the question regarding contingent and unliquidated claims, and to include examples of other property. The form has been further amended to include a question regarding whether the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 12, *Summary*, has been amended to list relevant line numbers for each type of property.

Official Form 206D, Schedule D: Creditors Who Have Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, for non-individual debtors and has been revised to eliminate instructions that pertain only to individuals. The form has been further amended to instruct debtors that if a creditor has more than one secured claim, to list the creditor separately for each claim; to list the creditor's email address, if known; to indicate if multiple creditors have an interest in the same collateral; to list the order of each creditor's priority interest in the collateral; and to indicate whether the creditor is an insider or related party. The debtor is also instructed to describe the lien and to fill out Schedule H: *Codebtors*, if anyone else is liable on the claim. Finally, the form has been amended to require the debtor to list the value of the debtor's property that secures the claim.

A new Part 2: List Others to be Notified for a Debt Already Listed in Part 1 has been added, with instructions to list any others who must be notified about the bankruptcy for a debt listed in Part 1 of the form. Examples are provided. The debtor must include the relevant line from Part 1 and the last 4 digits of the account number for the entity.

A new Part 3: *Total Amounts of Claims and the Unsecured Portion of Claims*, has been added.

Official Form 206E/F, Schedule E/F: Creditors Who Have Unsecured Claims, has been amended to combine Official Form 6E, Schedule E - Creditors Holding Unsecured Priority Claims and Official Form 6F, Schedule F - Creditors Holding Unsecured Nonpriority Claims for non-individual debtors. Priority unsecured claims are listed in Part 1, and nonpriority unsecured claims are listed in Part 2. The instructions have been revised to require the debtor to list the other party to any executory contract or unexpired lease on this schedule and on *Schedule A/B Real and Personal Property* and *Schedule G: Executory Contracts and Unexpired Leases* (Official Forms 206A/B and 206G).

Part 1. List All Creditors with PRIORITY Unsecured Claims, has been revised to delete the requirement to list the amount not entitled to priority and to add requirements to specify the Code section for the priority unsecured claim and whether the claim is subject to offset. A new requirement was added to Part 2, List All Creditor's with NONPRIORITY Unsecured Claims, to indicate if the claim is subject to offset. The instructions have also been significantly shortened. Part 3, List Others to be Notified About Unsecured Claims, has been added, with instructions to list any others who must be notified for claims listed in Parts 1 and 2. Examples are given. The debtor must include the relevant line from Part 1 or 2 and the last 4 digits of the account number for the entity. A new Part 4: Total Amounts of the Priority and Nonpriority Unsecured *Claims* has been added.

Official Form 206G, *Schedule G: Executory Contracts and Unexpired Leases*, replaces Official Form 6G - *Executory Contracts and Unexpired Leases* for nonindividual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general instructions for all forms regarding listing a minor child's name. A new requirement has been added to state the remaining term for any contract or lease listed.

Official Form 206H, *Schedule H: Codebtors*, replaces Official Form 6H - Codebtors for non-individual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general

instructions for all forms regarding listing a minor child's name. A new requirement is added to indicate by checkbox what schedule applies to each codebtor.

Schedules C, Exemptions, I, Income and J, *Expenses.* There are no Official Forms for Schedules C, I, and J in non-individual debtor cases. There is no need for an Official Form 206C for non-individual debtors because exemptions are inapplicable to non-individual debtors. And, although section 521(a) of the Bankruptcy Code requires all debtors, including non-individual debtors, to provide schedules of income and expenses, uncertainty about the state of the debtor's business on the petition date - whether it is operating or not, for example - makes it difficult to create standard income and expense forms for non-individual debtors. Some bankruptcy courts have adopted local rules and forms for reporting the income and expenses of non-individual debtors, and Director's Procedural Forms 2060I and 2060J, can be used and modified as appropriate if there are no applicable local rules and forms.

Declaration. There is no Official Form 206, Declaration. The portion of Official Form 6 Declaration for a declaration on behalf of a corporation or partnership has been replaced by Official Form 202, *Declaration Under Penalty of Perjury for Non-Individual Debtors*. Official Form 202 includes checkboxes for the schedules included in Official Form 206.

COMMITTEE NOTE

Official Form 207, *Statement of Financial Affairs for Non-Individuals Filing for Bankruptcy*, replaces Official Form 7, *Statement of Financial Affairs*, for nonindividual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 207 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

The form is derived from Official Form 7, *Statement of Financial Affairs*, and has been substantially reorganized. The form is divided into 14 sections grouping similar questions together. Many of the instructions have been shortened, and questions and instructions pertaining to individual debtors have been deleted. The instructions at the beginning of the form have been shortened, and the definitions deleted or moved to other parts of the form.

In Part 1, *Income*, the questions regarding gross revenue from business and non-business revenue have been consolidated, and checkboxes have been added to indicate the source of revenue. Also, the debtor is instructed to include revenue only once.

In Part 2, List Certain Transfers Made Before Filing for Bankruptcy, information that pertains only to individuals has been eliminated, and the questions related to payments made in the 90 days prior to bankruptcy, payments made to insiders within one year prior to bankruptcy, repossessions, and setoffs have been Instructions have been added to include consolidated. expense reimbursements in answer to the questions regarding payments and to exclude regular employee compensation from the question regarding payments within 90 days. A dollar limitation has been added to the instructions for the question regarding payments to insiders. Checkboxes have been added to both questions to provide a reason for the payment, and the explanation that the dollar limitation changes every three years has been moved to the instructions from the footnotes. "Amount still owing" has been removed, and a definition of "insider" has been added along with a statutory citation to the question regarding insiders. Partnerships have been added to examples of The question regarding setoffs includes a "insiders." revised definition and has been revised to require that the debtor provide a description of the creditor's actions and the last four digits of any account number.

In Part 3, *Legal Actions or Assignments*, several questions have been consolidated, instructions pertaining only to individuals have been removed, and additional examples have been added. Checkboxes have been added to indicate the status of the legal action. The requirement to list the terms of any assignment or settlement has been removed.

In Part 4, *Certain Gifts and Charitable Contributions*, instructions pertaining only to individuals have been removed, and the reporting threshold has been changed to \$1,000 per recipient. The look-back period has been increased from one to two years.

Part 5, *Certain Losses*, has been revised to expand the types of payments for losses, and an instruction has been added to list unpaid claims on Official Form 206A/B (*Schedule A/B: Assets – Real and Personal Property*). Portions of the instructions that pertain only to individuals have been removed. Losses due to gambling have been excluded from this part.

In Part 6, Certain Payments or Transfers, the questions regarding payments related to bankruptcy, payments to self-settled trusts, and other payments or transfers have been consolidated. Instructions and questions that relate only to individuals have been eliminated. An instruction has been added to include payments related to restructuring, and the email or website of the person who received the money or transfer is added as a requirement. In response to the question regarding self-settled trusts and other transfers not already listed, debtors are instructed to include payments or transfers of property made by a person acting on behalf of the debtor. A requirement has been added to the question regarding self-settled trusts to list the name of the trustee. The relationship to the debtor must be included for all transfers not already listed, as well as any debts paid in exchange. There is a reminder added not to include transfers already listed.

Part 7, *Previous Locations*, has been revised in the instructions, and information pertaining only to individuals has been deleted.

Part 8, *Health Care Bankruptcies*, is new. Part 8 requires additional information if the debtor is primarily engaged in offering services and facilities for diagnosing or treating injury, deformity, or disease or providing any surgical, psychiatric, drug treatment, or obstetric care. This part has been added to comply with the special requirements imposed by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

Part 9, *Personally Identifiable Information*, is also new and includes questions about pension and profit sharing plans and adds a question about whether the debtor collects and retains personally identifiable information of customers. Questions are added about whether the debtor is the plan administrator of any pension or profit sharing plan and if any such plan is terminated. Similar to Part 8, this part has been added to comply with the special requirements imposed by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

In Part 10, *Certain Financial Accounts, Safe Deposit Boxes, and Storage Units*, money market accounts have been added to the examples provided for the question regarding financial accounts, and checkboxes have been added to indicate the type of account. The requirement of the date of surrender of any safe deposit box has been removed. A question has been added about whether the debtor has property kept in storage units or warehouses within one year of filing, and the debtor must provide the facility name and address, the name and address of anyone with access to the facility, the description of the contents, and whether the debtor still has the storage unit or warehouse. Facilities that are in a part of a building in which the debtor does business are excluded.

In Part 11, *Property the Debtor Holds or Controls That the Debtor Does Not Own*, an instruction has been added to include any property borrowed from, being stored for, or held in trust, and to exclude leased or rented property.

Part 12, *Details About Environmental Information*, has been revised to include new definitions of "Environmental law," "Site," and "Hazardous materials." An instruction to report all notices, releases, and proceedings known, regardless of when they occurred, has been added.

In Part 13, *Details About the Debtor's Business or Connections to Any Business*, questions regarding various business issues have been consolidated, and instructions that pertain only to individuals have been eliminated. The five-percent ownership limitation has been eliminated. The phrase "kept or supervised the keeping of books or account and records" has been replaced with "maintained the debtor's books and records." The instructions for the question regarding auditing or preparation of financial records have been revised to add compiling and reviewing the debtor's books of account and records. A requirement has been added to explain if the debtor's books of account and records are unavailable. The questions regarding current and former officers, directors, managing members, general partners, members in control, or controlling shareholders have combined the formerly separate corporate and partnership questions. The question regarding former officers and partners has been changed to add the requirement of indicating the start and end dates for The instruction for withdrawals from a each listing. partnership or distribution by a corporation has been changed to add salary, other compensation, and draws to the list of examples.

In Part 14, *Signature and Declaration*, the declaration under penalty of perjury has been revised in order to conform to the language of 28 U.S.C. § 1746. See Rule 1008. A statement has been added that the individual signing on behalf of the debtor has reviewed the information in the Statement of Financial Affairs and any attachments and has "a reasonable belief that the information is true and correct." The signature boxes for bankruptcy petition preparers have been eliminated, and checkboxes for the debtor to indicate whether additional pages are attached to the form have been added.

For the debtors listed above, a case has been filed under chapter 7 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors or the debtors' property. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although debtors can ask the court to extend or impose a stay.

The debtors are seeking a discharge. Creditors who assert that the debtors are not entitled to a discharge of any debts or who want to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadlines specified in this notice. (See line 9 for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at <u>www.pacer.gov</u>).

The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

Notice of Chapter 12 Bankruptcy Case

1	2/	15

For the debtors listed above, a case has been filed under chapter 12 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors, from the debtors' property, or from certain codebtors. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 12 plan may result in a discharge of debt. Creditors who want to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 13 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

Notice of Chapter 13 Bankruptcy Case

12/15

For the debtors listed above, a case has been filed under chapter 13 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors, the debtors' property, and certain codebtors. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although debtors can ask the court to extend or impose a stay.

Confirmation of a chapter 13 plan may result in a discharge. Creditors who assert that the debtors are not entitled to a discharge under 11 U.S.C. § 1328(f) must file a motion objecting to discharge in the bankruptcy clerk's office within the deadline specified in this notice. Creditors who want to have their debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office by the same deadline. (See line 13 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at <u>www.pacer.gov</u>).

The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

Official Forms 309A-I, collectively the Bankruptcy Case Commencement Notices, have been revised as part of the Forms Modernization Project to make them easier to read and understand. The notices, derived from Official Forms 9A-I are renumbered and stylistic changes have been made.

References to the limitations on the automatic stay imposed by 11 U.S.C. § 362(c)(3) and (4) in some repeat bankruptcy filings by individuals have been deleted from the three versions of the notice for cases filed by corporations and partnerships. Email addresses for the debtor's attorney and the trustee have been added to the form.

The parties are informed that they may review papers filed in the case through the judiciary's PACER system (Public Access to Court Electronic Records) as well as at the bankruptcy clerk's office.

The lettering scheme for the versions of Official Form 309 track the versions of Official Form 9 used in different types of bankruptcy cases with following exceptions. Official Forms 9E(Alt.) and 9F(Alt.) have been eliminated by including alternative language in Official Forms 309E and 309F to be used if the court sets a deadline for filing claims at the start of the chapter 11 case. In addition, the B and C versions have been reversed in order. That is, Official Form 9C has been designated 309B and Official Form 9B as 309C. This groups together the notices for chapter 7 individual debtors and for nonindividual debtors. Finally, as a result of the reformatting, Official Form 309C has been reduced to a single page.

The four versions of the form for chapter 7 cases have been renamed to state whether the notice specifies a deadline for filing proofs of claim, rather than whether the case is an "asset" or "no-asset" case.

Explanation of Bankruptcy Discharge in a Chapter 7 Case

This order does not close or dismiss the case, and it does not determine how much money, if any, the trustee will pay creditors.

Creditors cannot collect discharged debts

This order means that no one may make any attempt to collect a discharged debt from the debtors personally. For example, creditors cannot sue, garnish wages, assert a deficiency, or otherwise try to collect from the debtors personally on discharged debts. Creditors cannot contact the debtors by mail, phone, or otherwise in any attempt to collect the debt personally. Creditors who violate this order can be required to pay debtors damages and attorney's fees.

However, a creditor with a lien may enforce a claim against the debtors' property subject to that lien unless the lien was avoided or eliminated. For example, a creditor may have the right to foreclose a home mortgage or repossess an automobile. This order does not prevent debtors from paying any debt voluntarily or from paying reaffirmed debts according to the reaffirmation agreement. 11 U.S.C. § 524(c), (f).

Most debts are discharged

Most debts are covered by the discharge, but not all. Generally, a discharge removes the debtors' personal liability for debts owed before the debtors' bankruptcy case was filed.

Also, if this case began under a different chapter of the Bankruptcy Code and was later converted to chapter 7, debts owed before the conversion are discharged.

In a case involving community property: Special rules protect certain community property owned by the debtor's spouse, even if that spouse did not file a bankruptcy case.

For more information, see page 2

Some debts are not discharged

Examples of debts that are not discharged are:

debts that are domestic support obligations;

debts for most student loans;

debts for most taxes;

debts that the bankruptcy court has decided or will decide are not discharged in this bankruptcy case;

debts for most fines, penalties, forfeitures, or criminal restitution obligations;

some debts which the debtors did not properly list;

debts for certain types of loans owed to pension, profit sharing, stock bonus, or retirement plans; and

debts for death or personal injury caused by operating a vehicle while intoxicated.

Also, debts covered by a valid reaffirmation agreement are not discharged.

In addition, this discharge does not stop creditors from collecting from anyone else who is also liable on the debt, such as an insurance company or a person who cosigned or guaranteed a loan.

This information is only a general summary of the bankruptcy discharge; some exceptions exist. Because the law is complicated, you should consult an attorney to determine the exact effect of the discharge in this case.

Official Form 318, Order of Discharge, is revised and renumbered as part of the Forms Modernization Project. The form is used to issue a discharge in chapter 7 cases filed by individuals or joint debtors. It replaces former Official Form 18, Discharge of Debtor, Director's Procedural Form 18J, Discharge of Joint Debtors, and Director's Procedural Form 18JO, Discharge of One Joint Debtor.

To make the discharge order and the explanation of it easier to read and understand, legal terms are explained more fully or replaced with commonly understood terms, and the form is reformatted.

Reaffirmed debts are explained more fully, and readers are informed that a discharge will not stop creditors from collecting debts from any property in which they have a valid lien. In addition, readers are advised that the discharge does not stop creditors from collecting from anyone else who is liable on the debt, such as a cosigner on the loan or an insurance company.

Director's Procedural Forms 18J and 18JO are no longer needed because Form 318 specifies the names of the debtors, or debtor, to whom the discharge is issued. Any alternate names of the debtor or debtors appear in the order not in the information box at the top of the form.

Official Form 401 is required for any petition seeking recognition of a foreign proceeding under chapter 15 of the Bankruptcy Code. The form, which applies to foreign proceedings involving individual and nonindividual debtors, consolidates information formerly included on Official Form 1 (Voluntary Petition). The petition must be signed by the foreign representative, under penalty of perjury, and by the foreign representative's attorney.

The petition requires disclosure of the foreign proceeding in which the foreign representative has been appointed (Line 4) and whether it is a foreign main proceeding or foreign nonmain proceeding (Line 5). If the foreign representative seeks recognition of the foreign proceeding as a foreign main proceeding or, in the alternative, a foreign nonmain proceeding, that request should be indicated in Line 5. Each country where any additional foreign proceeding known to the foreign representative is pending must be disclosed on Line 7. See Bankruptcy Rule 1004.2. Evidence of the foreign proceeding and of the foreign representative's appointment must accompany the petition. See 11 U.S.C. § 1515(b). These documents must be translated into English in accordance with 11 U.S.C. § 1515(d). The foreign representative must also attach a list of persons or bodies entitled to notice. See Bankruptcy Rule 2002(q).

The petition calls for information about the debtor, including the debtor's name (Line 1), other unique identifying information, if available (Line 2), and center of main interest (Line 9). The type of debtor is also requested (Line 11).

The foreign representative must indicate the basis for venue in the district by selecting an appropriate checkbox and, if necessary, providing additional information, such as a statement explaining why venue in the district is appropriate (Line 12). See 28 U.S.C. § 1410.

Official Form 410, *Proof of Claim*, applies in all cases. Form 410 replaces Official Form 10, Proof of Claim. It is renumbered to distinguish it from the forms used by debtors for case opening, and includes stylistic changes throughout the form. It is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. Because the goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions.

Official Form 410 has been substantially reorganized. A new question has been added at line 10 that solicits information about claims based on leases.

Official Form 410A, *Mortgage Proof of Claim Attachment*, is revised in its content and format. Rather than requiring a home mortgage claimant to fill in blanks with itemized information about the principal, interest, and fees due as of the petition date and the amount necessary to cure a prepetition default, the form now requires the claimant to provide a loan history that reveals when payments were received, how they were applied, when fees and charges were incurred, and when escrow charges were satisfied. Because completion of the revised form can be automated, it will permit claimants to comply with Rule 3001(c)(2)(C) with efficiency and accuracy. Attachment of a loan history with a home mortgage proof of claim will also provide transparency about the basis for the claimant's calculation of the claim and arrearage amount.

The loan history should begin with the first date on which the borrower failed to make a payment in accordance with the terms of the note and mortgage, unless the note was subsequently brought current with no principal, interest, fees, escrow payments, or other charges immediately payable.

Official Forms 410S1 and 410S2, *Notice of Mortgage Payment Change* and *Notice of Postpetition Mortgage Fees, Expenses, and Charges*, are revised as part of the Forms Modernization Project. There are formatting changes throughout the forms.

Official Form 423 Certification About a Financial Management Course

12/15

If you are an individual, you must take an approved course about personal financial management if:

- you filed for bankruptcy under chapter 7 or 13, or
- you filed for bankruptcy under chapter 11 and § 1141 (d)(3) does not apply.

In a joint case, each debtor must take the course. 11 U.S.C. §§ 727(a)(11) and 1328(g).

After you finish the course, the provider will give you a certificate. The provider may notify the court that you have completed the course. If the provider does notify the court, you need not file this form. If the provider does not notify the court, then Debtor 1 and Debtor 2 must each file this form with the certificate number before your debts will be discharged.

- If you filed under chapter 7 and you need to file this form, file it within 60 days after the first date set for the meeting of creditors under § 341 of the Bankruptcy Code.
- If you filed under chapter 11 or 13 and you need to file this form, file it before you make the last payment that your plan requires or before you file a motion for a discharge under § 1141(d)(5)(B) or § 1328(b) of the Bankruptcy Code. Fed. R. Bankr. P. 1007(c).

In some cases, the court can waive the requirement to take the financial management course. To have the requirement waived, you must file a motion with the court and obtain a court order.

Official Form 423, *Certification About a Financial Management Course*, is revised as part of the Forms Modernization Project. The form replaces former Official Form 23, *Debtor's Certification of Completion of Postpetition Instructional Course Concerning Personal Financial Management*. Form 423 is renumbered to distinguish it from the forms used by non-individual debtors, such as corporations and partnerships.

To make Form 423 easier to understand, legal terms are explained more fully or replaced with commonly understood terms, and the form is reformatted. Part 1, *Tell the Court About the Required Course*, provides definitions for "incapacity" and "disability," rather than providing statutory citations.

A statement is added that, in some cases, the court can waive the requirement to complete the financial management course. To have the requirement waived, the debtor must file a motion with the court and obtain a court order. [Caption as described in Fed. R. Bankr. P. 7010 or 9004(b), as applicable]

Official Form 427, *Cover Sheet for Reaffirmation Agreement*, is revised and renumbered as part of the Forms Modernization Project. The form replaces former Official Form 27, *Reaffirmation Agreement Cover Sheet*. To make it easier to understand, the form is reformatted, and legal terms are explained more fully or replaced with commonly understood terms.

The calculation of the debtor's net monthly income is expanded to include the debtor's net monthly income at the time the bankruptcy petition is filed, as well as the debtor's net monthly income at the time of the reaffirmation agreement. Rather than requiring filers to state their relationship to the case, checkboxes are provided for the debtor or the debtor's attorney and for the creditor or the creditor's attorney.

Line 3 of the form has been changed to clarify the requirement to disclose an annual percentage rate of interest. Section 524(k)(3)(E) of the Bankruptcy Code defines the "Annual Percentage Rate" to be disclosed in connection with a reaffirmation agreement. Line 3 of the form now includes a reference to that Code provision, which in appropriate circumstances permits disclosure of the simple interest rate as the Annual Percentage Rate.
